To Harold,

On behalf of our members at Unifor Local 111, we want to personally thank you and your Big Splash Team for all your hard work and commitment in making our August 11th, 2018 event a success. You even managed to hold off the rain! It was our vision and goal to provide our members with a fun family event and the day went better than expected. The positive feedback we have received has been astounding.

A special thank you to Operations Manager Mitch Stokes, who was very personable and a pleasure to deal with. He went above and beyond his call of duty and all his extra efforts were noticed. You are lucky to have him!

As well, thank you to Head Chef Mark Greenfield and his crew with special thanks to Johnny Dvorak and Doug King for cooking and preparing our food. Those burgers were grilled to perfection. Everyone working went above and beyond to make sure all our members' needs were met.

Thanks again, we hope to be back next year!

Sincerely,

Raj Purewal
